Journal Transfers from Other State Agencies: See Instructions on Back of Form

Applicant’s accompanying check will be negotiated by the Department as required by law. This act of negotiation has no bearing on applicant’s entitlement and may not be used as a basis of estoppel or other doctrine impacting on the right of the Department to deny the permit or license sought.

FOR AERIAL APPLICATORS ONLY

IMPORTANT: This application must be accompanied by a photocopy of Pilot’s License. I understand that any aircraft I pilot for aerial application purposes must conform fully to FAA rules and standards. List N numbers of aircraft you will be flying:

I hereby apply for a license as a Public Pesticide Applicator to purchase and use restricted use pesticides pursuant to Chapter 487, Florida Statutes, and Chapter 5E-2 and 5E-9, Florida Administrative Code. I understand that the license issued as a result of this application is valid only in conjunction with my employment with a government entity.

I understand and will comply with the provisions of the above statute and rules as well as product label instructions. Further, I understand that any violation of the statute, rules, or label instructions constitutes grounds for suspension or revocation of the license and/or other penalties as provided in Chapter 487, Florida Statutes.
